CORDLESS ELECTRIC SCISSORS Mod. WBT-2

Power	35W
Battery capacity	5000 mAh
Battery	al litio

- **Much more durable battery**
- Much stronger blade
- It is widely used to cut **fabric, cloth, leather, paper products, rubber, bungee, thin plastics, aramidic fabrics, kevlar and fiberglass.**
- Featured with chargeable and electric plugged.
- By adopting tungsten steel blade, it is in durable service, and the cutter head can be changed easily.

Cutting range (depends on materials):

- 10mm : fabric, knitwear, felt, blanket, curtain, underwear
- 7mm : five layer cardboard, 17 sheets of A4 paper, one sheet is 80g
- 5mm : leather, carpet, plastic, fiberglass, rubber
